

**Nadcap Accreditation for Nonconventional Machining Has Been Awarded to
Phoenix Manufacturing Inc.**

On October 19, 2017, Phoenix Manufacturing Inc received Nadcap accreditation after successfully passing a Nadcap audit in Nonconventional Machining (EDM).

This achievement is important for Phoenix Manufacturing as it demonstrates their commitment to delivering the highest standards of nonconventional machining.

“Congratulations to Phoenix Manufacturing on successfully passing what may be the aerospace industry’s most stringent process capability assessment audit,” said Joe Pinto, Executive Vice President and Chief Operating Officer at the Performance Review Institute. “Nadcap audit criteria are widely acknowledged to be hard to meet and companies like Phoenix Manufacturing who succeed at doing so, rightfully deserve recognition.”
